Conradina Chapter Meeting

Sunday, September 8, 2024 at 3:00 PM
Monday, September 9, 2024 at 6:00 PM

Meet us at the First Church of the Nazarene
2745 S Babcock Street, Melbourne FL 32901

"My HOA Journey to Native Landscape Approval"

This homeowner on the tour this year has successfully presented

landscape plans to her HOA three times as they've grown in scope.

In addition to successfully presenting her landscape plans to her HOA three times, this homeowner has been on the Architecture Review Board, and is currently on the HOA Board. Come hear her journey and how she has worked together with her HOA Board!

This event is free although eventbrite tickets are required.

[Register for Info Sessions and Purchase Tickets to Landscaping with Florida Natives Tour](#)

We look forward to everyone coming!!

Preserving, Conserving, and Restoring the Real Florida Since 1980.

Carol's Corner: Wonderful Native Plants Bloom in this Heat!

By Carol Hebert

I have done less gardening in this hot summer but have enjoyed the flowers blooming in my yard. My rouge plant (*Rivina humilis*) was a little droopy when we were dry but it has come back nice and strong after the rain began to be more consistent. It is a small shrub 3-5 feet tall, about 1-2 feet wide and needs partial shade. The white flowers turning to red fruit are a treat to see almost all year long. The Cardinals and Catbirds love the fruit.

I had a few Cardinal Flowers (*Lobelia cardinalis*) bloom and - wow!- are they pretty and tall stands of red flowers. One was three feet tall! I was a bit sad about its description of being a "short lived perennial and some plants may die after flowering." I hope some of the seeds will generate new plants. My Fiddlewood (*Citharexylum spinosum*) has no problem looking so pretty all year with its shiny leaves and white flowers that have a wonderful smell. The butterflies, bees and bugs love the Fiddlewood also. I counted seven White Peacock Butterflies (*Anartia jatrophae*) on the Fiddlewood today!

I even got a few blooms of my native Scarlet Hibiscus (*Hibiscus coccineus*)!

Also a Banded Sphinx Moth (*Eumorphia fasciatus*) was on my porch screen.

If you think these plants and critters are beautiful then be sure to purchase your tickets and attend the seminars for the [Conradina Chapter 2024 Landscaping with Florida Natives Tour and Events!](https://www.conradina.fnpschapters.org)

Plant natives!
Carol Hebert

Upcoming Events

Native Plant Nurseries and Service Providers

Have you planned on, or have you already started planting new native plants in your garden and yard? Have you had trouble finding the native plants and wildflowers you want? Well here are a few links to help you locate what you are looking for. Please call or check websites for hours, services and plant availability.

Company / Web link	Name / email	Telephone	Comments
Change of Greenery	Brendan Healy	321-536-0655	Native and edible plants, landscape design, installation & maintenance
Four C's Nursery		321-729-0351	Native plants, landscape design & installation
Florida Native Wildflowers	Sharon Dolan		Purchase pots, seeds and Florida Native Plants online
Go Native Landscaping	Nichole Perma	321-795-3111	Native landscape design, installation, consultation and maintenance
	Newsletter Sponsor		
	Tim / Anna	321-626-7386	Native plants and landscape design
Rockledge Gardens	General Information	321-636-7662	Expanding native plant selection
Rosemallow Farms	Tim & Ivoriann Wooley	321-236-1741	Native and Florida-friendly plants for sale to the public
Wild Wet N Wacky	Kiela Frank	321-417-2218	Expanding native plant selection

Additional local sources of plants and services may be found at our FANN partner site at www.PlantRealFlorida.org

Shopping elsewhere? Please always ask for Florida native plants – especially when you see none on the shelf. Popular demand drives availability and can change our community for the better.

Monday Sept. 9 from 6pm - 8pm

October Sessions

Invasive Alternatives: Winning the Battle Against Invasive Plants in Your Garden

Florida's unique climate and growing conditions allow for a huge variety of exotic plants to thrive. While some are well behaved in the home landscape, many garden favorites are actually invasive species. These "invaders" pose a threat to our native plants and natural ecosystems. In this presentation, Florida Wildflower Foundation Executive Director Stacey Matrazzo will go over some of the invasive species commonly used in home landscapes, and offer suggestions for suitable native plants to use in their place.

Sunday, Oct. 13 from 3pm - 5pm

Monday, Oct. 14 from 6pm - 8pm

Sponsorship levels were created based on the Brevard County keystone plants that support the largest number of insects. A full list of Brevard County keystone plants is available [here](#).

Get Involved with Your Local Sustainability Advisory Board!

You can get involved by either being on a Board or attending the meetings to voice your opinion and get involved with local events.

Some cities call it an Environmental Board and some use the term Sustainability – whatever it’s called, there’s an opportunity for native plants and landscapes to preserve our native wildlife. Please check out the listing below or send your city information to us at ConradinachapterFNPS@gmail.com to include on the list.

Indialantic: Call the Town Hall at 321-723-2242 prior to the meeting to make ensure there is a quorum and the meeting is still a Go.

Palm Bay: Check out the Palm Bay website for agenda information and to make sure the meeting is still a Go. (palmbayflorida.org)

City	Meeting Time & Place	Website
Indialantic	5:30 pm on 2nd Thursday of the month in Council Chamber	Boards & Committees The Town of Indialantic Florida Official WebSite
Melbourne	2 pm on 3rd Friday of the month in City Hall Council Chamber	Beautification & Energy Efficiency Board City of Melbourne, FL (melbourneflorida.org)
Melbourne Beach	Melbourne Beach Environmental Advisory Board - Home Facebook	Sustainability Melbourne Beach FL https://www.melbournebeachfl.org/sustainability
Rockledge	6 pm on 2nd Thursday - February, June, and Oct. in Council Chamber at City Hall	The Rockledge Environmental Enhancement Board Rockledge, FL - Official Website (cityofrockledge.org)
Palm Bay	6 pm on 4th Wednesday of the month in Council Chambers, Palm Bay City Hall	Sustainability Advisory Board City of Palm Bay, FL (palmbayflorida.org)
Satellite Beach	6 pm on 4th Wednesday of the month in Council Chambers	Satellite Beach, FL

Palm Bay Sustainability Board Needs You!

Want to make a difference in the environment where you live in Palm Bay?

The Palm Bay Sustainability Board currently has **two openings** that we need to fill and it would be great to fill those spots with folks like you knowledgeable about native plants and the environment.

The primary requirements are:

- Must be a resident of the City of Palm Bay for at least one year OR be the owner of a business located within the City of Palm Bay for at least one year
- Able to attend monthly meetings at 6 pm on the fourth Wednesday of the month
- Willing to work on issues related to improving the sustainability and environment of Palm Bay

For more information, please check out their website here: [Sustainability Advisory Board | City of Palm Bay, FL \(palmbayflorida.org\)](https://www.palmbayflorida.org/sustainability-advisory-board)

Also feel free to contact the three Conradina members already on the Palm Bay Sustainability Board for any questions you may have:

Susan Connally at Sbconnolly@aol.com

Rebecca Ziegler at rebeccarelgeiz@gmail.com

Jane Higgins at janehiggins2016@gmail.com

If you're interested in this opportunity, please fill out the online application here:

[APPLICATION FOR MEMBERSHIP City Boards or Committees for the City of Palm Bay Florida \(palmbayflorida.org\)](https://www.palmbayflorida.org/application-for-membership-city-boards-or-committees-for-the-city-of-palm-bay-florida).

Thank you!!

Help Recycle & Reuse Nursery Pots

Members participating in providing native plants for the plant drawing for our monthly meetings are in need of small pots (1 gal or less).

Please bring your extra pots to the meeting.

We will collect and distribute.

All members are encouraged

- to bring native plants to share and
- to bring empty pots to pass along

Thanks!

We need a back-up tech person at our monthly meetings please!

This is an extremely important task to facilitate the awesome presenters coming to our meetings!

We now have documented instructions on how to use the equipment at First Church. If you're a techie and interested in helping us out at the monthly meetings, please contact Jane at janehiggins2016@gmail.com
